MISSOURI DEPARTMENT OF NATURAL RESOURCES

Fluorescent Bulb Recyclers

Fact Sheet

1/2002

Hazardous Waste Program

Missouri Certified Resource Recovery Facility

H.T.R. Inc.
PO Box 185, Lake Ozark, MO 65049 or
415 Kaiser Industrial Dr, Kaiser, MO 65047
Contact: Bonnie Bishop-Clark
Phone Number: (888) 537-4874 or (573) 302-7575 Fax number: (573) 302-7579

- Lamps that are recycled: Fluorescent, straight, u-tubes, coated, dipped or sleeved lamps, H.I.D., and lamps with built in ballasts or starters
- Ballasts are collected for recycling
- This facility transports wastes
- Notes: Ballasts- They broker ballasts to two EPA approved recyclers. They are transported by a licensed hazardous waste transporter to Full Circle Ballast Recyclers, Bronx N.Y. or Wisconsin Ballasts, Muskego, WI.

Facilities Recycling Outside of Missouri

(Note: Some companies may be located within Missouri, but ship the items to be recycled out-of-state.)

A-Tec Recycling Inc.
5745 NE 17th, PO Box 7391, Des Moines, IA 50309
Phone Number: (800) 551-4912 Fax number: (515) 263-6970
Email Address: larry@a-tec-recycling.com
Web site: a-tec-recycling.com

- Lamps that are recycled: Fluorescent, HID, shielded, U-shape, crushed
- PCB ballasts are accepted and transported to a recycler of PCB ballasts
- Other items recycled: Mercury switches, thermometers, relays, thermocouples, mercury spill kits, liquid mercury, thermostats, capacitors (PCB and non-PCB), batteries, and computer components

Allied Technology Group
47375 Fremont Blvd, Fremont, CA 94538
Contact: Raymond LaBorde
Phone Number: (510) 490-3008 Fax number: (510) 651-3731

- Lamps that are recycled: Fluorescent, high and low pressure sodium (sox), mercury vapor, metal halide, biax, u-shaped, and UV lamps
- PCB ballasts are accepted and transported to a recycler of PCB ballasts

PUB000451

Recycled Paper

Bethlehem Apparatus Co., Inc.
890 Front St., PO Box Y, Hellertown, PA 18055
Phone Number: (610) 838-7034 Fax number: (610) 838-6333
Email Address: Bacohg@aol.com
Web site: www.thomasregister.com/bethapp
- Lamps that are recycled: Fluorescent, quartz, HID, and ultraviolet
- Mercury items are collected for recycling

Earth Protection Services, Inc.
10 South 48th Ave, Ste #4, PO Box 23820, Phoenix, AZ 85063-3820
Phone Number: (602) 353-9282
Email Address: earthpro@cyberhighway.net
Web site: www.earthpro.com
- Lamps that are recycled: Fluorescent, HID, mercury, metal halide, u-tube, compact, biax, low and high pressure sodium, and coated or shattershield
- PCB ballasts are accepted and transported to a recycler of PCB ballasts
- Other items recycled: Amalgams, batteries, CRTs, ignition tubes, manometers, metallic mercury, PC boards, switches, thermometers, etc
- This company has multiple locations
- Notes: They will provide all of the necessary containers and documentation for collecting, sorting, storing and shipping fluorescent, HID and incandescent lamps, ballasts, and other spent mercurial products.

Earth Protection Services, Inc.
8747 Flower Rd, Rancho Cucamonga, CA 91730
Contact: Frank Carlin
Phone Number: (909) 484-1509 Fax number: (909) 484-1511
- Lamps are collected for recycling
- Ballasts, computers, and mercury items are collected for recycling
- This company has multiple locations
- This facility transports wastes

Earth Protection Services, Inc.
6024 SW Jean Rd, Building E, Ste #100, Lake Oswego, OR 97035
Contact: Ken Streight
Phone Number: (503) 620-2466 Fax number: (503) 620-4313
- Lamps are collected for recycling
- Ballasts are collected for recycling
- This company has multiple locations
- This facility transports wastes

Earth Protection Services, Inc.
1824 Colonial Village Ln #103, Lancaster, PA 17601
Contact: John Scott
Phone Number: (717) 239-5900 Fax number: (717) 239-5999
- Lamps are collected for recycling
- Ballasts are collected for recycling
- This company has multiple locations
- This facility transports wastes

Earth Protection Services, Inc.
429 E. Mountain View Dr, Sheridan, WY 82801
Contact: David Chilcott
Phone Number: (800) 588-7190 Fax number: (307) 672-7192
This company has multiple locations

Eastern Environmental Technologies
47 Purdy Ave, Port Chester, NY 10573
Phone Number: (914) 934-2100 Fax number: (914) 934-9659
Email Address: eet@erols.com
Web site: www.easternenvironmental.com
- Lamps that are sent off site for recycling: Fluorescent, HID, compacts, shattershield, u-bends, incandescents, and broken bulbs.
- PCB ballasts are accepted and transported to a recycler of PCB ballasts.
- Other items recycled: PCB and non-PCB transformers, batteries, lead, and any mercury waste

Everlights
8500 W 191st St Ste 1, Mokena, IL 60448
Phone Number: (815) 469-0631
Email Address: everlights@aol.com
- Lamps that are recycled: All lamps
- PCB ballasts are accepted and transported to a recycler of PCB ballasts
- This facility transports wastes
- Notes: Recycle computers, batteries, mercury products (i.e. thermometers), PCB products (i.e. small transformers), entire streetlights, and office fixtures. They provide transportation, storage containers, shipping labels, manifesting, bill of ladings, and educational seminars with training.

FulCircle Ballast Recyclers
509 Manida St, Bronx, NY 10474
Contact: Tony Ballentine
Phone Number: (800) 775-1516 or (847) 755-9053 Fax number: (847) 755-9054
Email Address: fullcircle@evtc.com
Web site: www.evtc.com
- Lamps that are recycled: Fluorescent, compacts, incandesent, and HID (Mercury vapor, metal halide, and high and low sodium)
- PCB ballasts are accepted and transported to a recycler of PCB ballasts
- Other items recycled: Transformers, capacitors, PCB oil and soil, and batteries
- Notes: Additional email: ballentine@evtc.com

Lamp Recycling, Inc.
712 Packerland Dr, PO Box 12027, Green Bay, WI 54307-2027
Phone Number: (800) 558-1166
Email Address: lamprecyclers@dct.com
Web site: www.lamprecyclers.com
- Lamps that are recycled: All types of mercury containing bulbs
- Ballasts are collected for recycling
- Other items recycled: Batteries and computer components
- Notes: The phosphor powder is sent to another company to complete the recycling. Ballasts are collected at their facility and shipped to another company for final disposition.

Lighting Resources, Inc.
1522 E Victory St #4, Phoenix, AZ 85040
Phone Number: (800) 641-9253 or (602) 276-4278
Email Address: ben@voidnet.com
Web site: www.kmilb.com/lightingresources
- Lamps that are recycled: Fluorescent, HID, compact, U-tubes, UV, Mercury Vapor, sodium
- PCB ballasts are accepted and transported to a recycler of PCB ballasts
- Other items recycled: Batteries, full fixtures, mercury devices, CRTs, TV and video monitors
- This company has multiple locations
- Notes: Facilities also in: California and Indiana

Luminaire Recyclers, Inc.
2161 University Ave W, St. Paul, MN 55114
Phone Number: (651) 649-0079
- Lamps that are recycled: Fluorescent, compacts, shatter shield, circular, U-shaped, ultra-violet, ignitron, incandescent
- PCB ballasts are accepted and transported to a recycler of PCB ballasts
- Other items recycled: Batteries and transformers

Mercury Technologies International, LP
30677 Huntwood Ave, Hayward, CA 94544
Phone Number: (510) 429-1129
- Lamps that are recycled: Mercury and non-mercury containing lighting devices
- Ballasts are collected for recycling
- Other items recycled: Batteries, CRTs, Mercury devices, and dental amalgam
- This company has multiple locations
- This facility transports wastes
- Notes: MTI provides transportation and management services for lighting ballasts.

Mercury Technologies International, LP
4317-J Fortune Place, West Melbourne, FL 32904
Phone Number: (800) 808-4684 or (407) 952-1516
- Lamps that are recycled: Mercury and non-mercury containing lighting devices
- Ballasts are collected for recycling
- Other items recycled: Metallic mercury, mercury debris, phosphor powder, mercury contaminated glassware and metal ware, batteries, CRTs and electronic scrap, and dental amalgam
- This company has multiple locations
- This facility transports wastes
- Notes: MTI provides transportation and management services for lighting ballasts.

Mercury Technologies International, LP
2592 Mitchell Ave, Allenton, PA 18103
Phone Number: (800) 554-2372
Web site: www.aerc-mti.com
- Lamps that are recycled: Mercury and non-mercury containing lighting devices
- Ballasts are collected for recycling
- Other items recycled: Elemental mercury, mercury debris, devices, soil, batteries, CRTs and electronic scrap, and dental amalgam
- This company has multiple locations
- This facility transports wastes
- Notes: MTI provides transportation and management services for lighting ballasts.
